

Unique Student Identifier Consent Form

Student Name: **DOB:**

Unique Student Identifier (USI)

In 2015 the Unique Student Identifier (USI) will be introduced throughout Australia as per the Student Identifiers Act (SI) 2014 (Cth). Your USI number will stay with you for life and will record your information on your Vocational Education and Training (VET) achievements. You will also be able to access secure digital transcripts and have more control over your historical VET information. The USI enables students to obtain a full transcript of all of the accredited VET training they have undertaken from the time the USI comes into effect from 2015.

Personal details collected by the new USI Agency are protected by the Privacy Act 1988 (Cth). Under the SI Act, from 1st of January 2015, Statement of Attainments and Qualifications cannot be issued without a USI, for more information on this new initiative please visit the USI website (<http://usi.gov.au/Students/Pages/default.aspx>).

While students can apply for their own USI, Traineeship Management Australia (RTO ID:21609) can with your permission apply for a USI on your behalf, therefore saving you time.

To authorise TMA to create a USI on your behalf, please complete the consent declaration below.
